

FOR IMMEDIATE RELEASE:

## La Chertosa wins Gold & Silver Medals at the Nation's Largest Wine Competition!

Sonoma, CA. – February 10, 2017

After receiving 7,100 entries from close to 30 other states, the **San Francisco Chronicle Wine Competition** is the largest completion of American wine in the world. Wines are submitted by everything from small micro wineries to large scale suppliers. The wines were tasted by over 60 experienced judges from various fields; and were narrowed down to an exclusive few.

Our **2014 La Chertosa Reserve Zinfandel** won a Gold Medal. Our **2015 La Chertosa Reserve Chardonnay** won a Silver Medal. Since our wines stood out amount the large number of entries, we really proud of these medals!

**La Chertosa** wines are produced primarily from grapes grown in red Tuscan series soils and aged moderately in new and young oak barrels. Their style is described as “Old World” because the wines are balanced, harmonic and wonderfully pleasing with foods.

**La Chertosa** wines can be purchased at fine wine locations in California, Colorado and Nebraska or by visiting [www.lachertosawines.com](http://www.lachertosawines.com). **La Chertosa** features 2015 Sonoma

Valley Reserve Chardonnay, a 2015 Sonoma Valley Reserve Sangiovese, a 2015 Amador County Barbera, plus a 2014 Amador County Zinfandel. Each wine is small-lot production.
